WELL TAKEN CARE OF
Erie Road is Closely Guarded Life of President.

TAKEN OVER BRANCH ROADS

Reported Plot to Blow up President's Special on Main Line Results in Unusual Precaution—Train Broken in two—Goes Out of Way.

New York, Aug. 14.—That the Erie railroad fully arranged for the safety of President Roosevelt on his way from Chautauque to Jersey City on Saturday is shown by the fact made known yesterday that the president's car did not come in over the main line. Instead, the Chautauque special was broken in two at Suffrin, N. Y. and the president's party was brought in by a round about way over two small branch roads.

President Roosevelt is said to have objected to the unusual precautions taken, but acquiesced when positive orders from President Underwood of the Erie were shown him. These orders were issued as a result of a letter received by the Paterson police which said there was a plot to blow up the president's train near Ridgwood, N. J.

The Chautauque special was stopped at Suffrin early Saturday morning. There was a consultation over the telephone followed by a consultation of railroad men at which it was decided to send the president to Sparkill, a small town on the Hudson, three miles below Nyack, by a little single track road, known as the Piermont branch and thence into Jersey City on the Northern railroad, a branch having its terminal at Nyack. President Roosevelt was awakened and told of the change in the schedule, as the officials did not like to take the responsibility without his consent. The president after some discussion said that he was "in the hands of the Erie" and while he had no fear of his train being wrecked on the main line, he would do what the railway men thought best. Slow time was made over the Piermont branch and the Northern railway and extra men guarded every part of both roads.

NEGRO HER ESCORT.

Causes a Mild Sensation at the United States Hotel.

Saratoga, N. Y., Aug. 14.—Booker T. Washington's appearance at dinner in the great dining room of the United States hotel caused a mild sensation among the diners. Mr. Washington was the guest of John Wannamaker, formerly postmaster general, and acted as escort for Mrs. Barclay Warburton, Mr. Wannamaker's daughter, while Mr. Wannamaker walked to the table with J. R. E. Roberts.

Mr. Washington preached here three times yesterday, first in the Presbyterian church, then in the Baptist church and late in the evening in the African Methodist church.

HOTEL ROBBER CAUGHT.

New York, Aug. 14.—In William Gordon, arrested yesterday, the police believe they have the person who for the last two years has been robbing hotels in this city. Gordon, when arraigned in the police court, admitted his guilt. When the police searched his home they recovered property valued at more than \$3,000 that had, they say, been stolen from several hotels. The stolen property included silverware, lace curtains, linen and a number of suits of clothes.

HAS NARROW ESCAPE.

Flying Dutchman Power Boat Capsizes Off Marblehead Neck.

Marblehead, Mass., Aug. 14.—H. W. Bowden's power boat Flying Dutchman III capsized off Marblehead Neck yesterday afternoon and Dr. Bowden and two companions had a narrow escape from drowning.

The men were trying out the engines and were going at a speed of 35 miles an hour, when they attempted to turn the boat, and evidently put the rudder over too sharp, as the bow did not respond and the boat turned turtle, sending the three men flying into the water. Mrs. Bowden viewed the accident from the piazza and at once sent a rowboat to the rescue. Before help arrived, however, the men, after clinging to the craft, succeeded in righting her. Fortunately the master, who was on board, saw the accident coming and shut off all power. The air tanks forward and aft kept the boat from sinking. The vessel was uninjured.

Japanese Passenger Steamers to be Returned to Run Between San Francisco and the Orient—Were Auxiliary War Vessels.

It has been officially announced that the America would leave Yokohama for this port on or about September 15, and from that time the regular service of this line will be resumed. The two other steamships belonging to this company, the Nippon Maru and the Hong Kong Maru will go into service as soon as they can be put in condition.

They have been out of commission for over a year. Supreme Court Judge to Resign and Practice Law.

Buffalo, N. Y., Aug. 14.—It is understood in legal circles the New York state Supreme Court Justice Edward W. Hatch is about to resign from the bench to enter a law firm, to be known as Parker, Sheehan & Hatch, the other members of the firm being former Judge Alton B. Parker and William F. Sheehan.

It is understood since Judge Parker's defeat for the presidency that he would form a partnership with Mr. Sheehan, as they had tacitly made an arrangement of this kind contingent on Parker's defeat. The new firm, it is said, will begin operations September 1.

Harriman Offers Kentucky Authorities \$45,000 Too Little.

San Francisco, Aug. 14.—The Examiner says today:

Since the arrival of President Harriman of the Southern Pacific company in this city it has become known that he has offered the Kentucky authorities \$48,000 to settle the tax dispute of the company with that state and with Jefferson county, in which the company maintains an office. The claim of the state and county is for unpaid taxes amounting to \$11,857,262 for years between 1900 and 1905 inclusive. Mr. Harriman claims that all taxes up to two years ago were paid to the then state auditor and that the present auditor, A. J. Bijot, is demanding taxes dating back into a previous regime.

Patrolman Vance C. Lavender, while Leading Raid on New York Gambling Joint is Set Upon and Beaten—Now in Hospital Dying.

New York, Aug. 14.—Set upon and beaten and kicked nearly to death by a crowd of young men who resented his having led a raid on their gambling club a few hours previously, patrolman Vance C. Lavender of Brooklyn, was carried to a hospital yesterday in a dying condition.

After the assault when Lavender's comrades were sent out to round up the gang who had attacked him, they had the fight of their lives at the home of Michael J. Lynch, who is said to have been one of the ringleaders in the attack upon Lavender. In the melee Mrs. Mary Lynch, the mother of the man, put up such a fight that it was necessary for the police to use their night sticks on her, with the result that with an arm broken she is lying in the same hospital as Lavender.

FOOTBALL PLAYERS WILL COME.

Picked English Team of Association Players Will Meet United States.

New York, Aug. 14.—On top of the announcement that the tour of the Corinthian Association Football club has been declared off, comes the news that a picked English team of association players will visit this country this fall. This team will be under the management of G. R. Murray of London, and will include such well known players as Sir Charles Kirkpatrick, Dr. Roose, Victor Faightie, Phornstield, the Farmfield brothers, Fred Mills and G. B. Fry. Sir Edward Cochrane, a keen supporter of the game in England, has donated a silver cup, valued at \$500 for a game to be played by the visiting team and a picked Canadian team. The Metropolitan association football league has received an offer for a game to be played in New York on Saturday, October 14. It is the intention of the visiting team to play games in Quebec, Montreal, Ottawa, Peterborough, Toronto and Winnipeg, in Canada, and Chicago, Boston, New York and Philadelphia in the United States. Three games have already been arranged in Philadelphia and will be played under the auspices of the Germantown Cricket club. In view of the fact that Harvard, Columbia and other colleges have taken up association football, an effort will be made to arrange a game between the visitors and an picked from the colleges which have association teams.

Regatta Notes

One For All, and All For Astoria.

It is to you, old friend, we write
This short Regatta verse;
Because we need spontaneity in
Our lean Regatta purse.
Some folks rear up and criticize
Whatever we may do;
But do you know that our free work
Is done for them and you?

Some men refuse to hustle, but
Their tongues wag like a kite;
They never do a thing themselves
But knock with all their might.
One thing is sure, we did not want
This nerve-destroying task.
But if you sulk and knock and kick
Who will work next, we ask?

Today it's us who ask you to
Get in and help our town;
Next year, maybe, it will be you
Upon whom Fortunes frown.
The safest rule that we know is
Throw up your hat and yell!
Whenever this town gets up a thing
And then, all will be well.
One for All, and All for Astoria.

Astor lodge, Knights of Pythias, has voted the free use of its hall for the regatta hall.

Any outfit that wants street concessions this year must pay a flat rate; commissions don't go; the committee has bother enough without looking out for the bills of outside concerns. They must all pay their own board and lodging, light and other bills. If you trust anybody without a written order "it is your own lookout."

Chief Concomley Gorman and his tribes of Injuns are rehearsing nightly. What 'yer going to wear at the country dance? Better prepare now.

Just wait until the boys' brigade dis-Portland will then "find out somedings."

The B. P. O. E.s won't do a ting in Portland on the 16th. Every man, woman and child from Tacoma takes delight in scattering their "Watch Tacoma Cards," and Astorians can't afford to be behind Tacoma. The committee has plenty of ammunition for you, boys, so come and fill your knapsacks.
